(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply)

Applicant filed the above referenced Patent Application on July 24, 2000. The Application included seven (7) formal sheets of drawings. An acknowledgment postcard date-stamped by the USPTO mail room on July 24, 2000 evidences receipt by USPTO of seven (7) formal drawing sheets.

On September 13, 2000, USPTO's Customer Service Center mailed a Formalities Letter to Applicant stating that the Application had been deposited without drawings.

On October 4, 2000, Applicant filed a Response to USPTO's Informalities Letter stating that seven (7) formal drawing sheets previously had been filed with the Application. Applicant enclosed with its Response an additional set of formal drawings.

Applicant believes that its Application was complete at the time it was originally filed and also that a timely response to USPTO's Informalities Letter was duly processed to USPTO.

If the foregoing grounds are insufficient to establish an "unavoidable abandonment", Applicant hereby requests that this Petition to Revive be considered on grounds that the abandonment was "unintentional". The Commissioner is authorized to charge any fee deficiency to Deposit Account No. 02-1435.
